

NEBRASKA!

It's time to renew your Medicaid coverage

With greater access to healthcare comes better health outcomes! Medicaid coverage has been shown to promote long-term improvements in health and well-being. That's why it is critical for you and your family to maintain your Medicaid benefits!

If you are a Nebraska resident, Medicaid coverage renewals are underway. To maintain your benefits, you must complete the renewal process as soon as possible.

Here's how to ensure you don't lose your Medicaid benefits:

● Don't miss the deadline!

Check your mail for a Verification Request or Renewal Form from DHHS and provide all the requested information by the deadline indicated.

● Missed the deadline? It's okay. You've got options.

You can still complete the renewal process within 30 days after the deadline.

● Update your contact information with DHHS

- Call toll-free at **1-855-632-7633**.
- Online at AccessNebraska.ne.gov
